

Geometric Measure Theory And Its Applications

<http://people.maths.ox.ac.uk/chengq/teach/tcc12/tcc-GeoMeasure.html>

[tcc.maths.ox.ac.uk/material/Geometric Measure Theory.html](http://tcc.maths.ox.ac.uk/material/Geometric%20Measure%20Theory.html)

Mathematics Taught Course Centre

Michaelmas Term

October – December 2012

Tuesday 13:00-15:00

If you want to register this course, please email to:

Sandy Patel

graduate.studies@maths.ox.ac.uk

In order to receive credits, you should write **a miniproject (5-10 pages)** on some (your favorite) topic which the course will cover and email your report (pdf-file) to

Dr. Laura Caravenna

laura.caravenna@maths.ox.ac.uk

By Thursday, 6th December.

Oxford grades: **pass/fail**, or distinction for particularly good work.
