Comment Details

Commenter Type: Members of the Public

Stance: Customer objects to the Planning Application

Comment Reasons:

- Amount of development on site
- Effect on privacy
- Effect on traffic
- General dislike or support for proposal
- Height of proposal
- Noise and disturbance
- Not enough info given on application

Comment: I am a member of Worcester College and frequent the neighborhood often. I am unsupportive of the plans to redevelop the area given the negative effects the new buildings will have on the quality of life of residents and Worcester students. I think the public comment of April 30 captures the major shortcomings of Exeter College's proposal and believe these must be fully incorporated. A second iteration of the proposal should also include greater input from the community.
