- Effect on character of area

Comment: I am supportive of this application for planning.

I will be living on Worcester Place and I feel that the new building will improve the character of the street substantially.

I am delighted to see that there is a plan to plant several trees - even more would be welcome as this street is rather devoid of greenery.

My only concern is the cycle parking on Worcester Place. This is a quiet street and therefore the locking and unlocking of bicycles by chatting students late at night is likely to have an impact. Wouldn't the bikes easily fit on Walton Street in front of the building?

Kind regards,

Fran Monks
