Stance: Customer objects to the Planning Application

Comment Reasons:

- Effect on adjoining properties
- Effect on character of area
- General dislike or support for proposal
- Height of proposal

Comment: This proposal will adversely affect the character of Worcester College. It is out of place, overbearing and bulky. It will change the beautiful character of the area, be an eye sore from other parts of the college, notably the famous gardens and lake. It is not sympathetic to the Jericho area in general.
