All **Plenary Lectures** and the **Panel Discussion** will be held at Cubberley Auditorium in the School of Education. There are overhead and beamer projectors available. Coffee and teas will be served near by.

All **Parallel Sessions** will be held at Department of Mathematics. All three rooms have blackboards as well as beamer projectors. Drinks will be available in the court yard of the department.

The **Banquet** will take place at the Stanford Faculty Club at 7pm. It will be preceded by a reception in the court yard of the Faculty Club from 6pm.

Wednesday afternoon programme:

1. David Ayala will lead a hiking group from the department at 1:30pm.
2. There will be a BBQ and swim get-together at the Stanford Community Recreation Association (SCRA).
