

Modular Forms: Notes on past exam questions

There are many past exam questions available for this course. Since the course content varies somewhat from year to year, here is a list of the questions from past papers available online which are appropriate given the lectures this year.

The notations used in these papers also vary a bit, but hopefully you can guess what is meant in each question. Ask me if you are confused!

2011 Questions 2, 3, 4 and the first option from question 5

2009 Questions 1, 2, 3

2008 Questions 2, 3

2007 All questions

2006 Questions 2, 3, first part of 4, second part of 5

2004 Question 1, first part of 3
